Sylvia:

I am withdrawing my request to appear before the RDCC on 405 West Milton. You are correct that there has been a change in ownership. The Pardo family was very concerned that they would have to demolish part of the building. There were not in the financial position to reconstruct it. Will you tell me how I can pick up the architectural drawings and surveys? If you leave them at the front desk on the second floor I will be happy to pick them up. Just let me know which desk. Thank you for your wonderful help. In a department that is overworked and understaffed, you were very helpful. I hope you have a wonderful New Year
